MAYA YOUTH IN PERFORMING ARTS

Dear Mrs Ranjan,

Sydney Blood Cancer Research would like to thank you for your recent donation toward our charity. Your generous support assists us to further our research into blood cancers and hopefully, one day, a cure. Your support will assist us in our work to benefit many patients over the coming year, with research staff, laboratory projects, equipment and clinical trials, just to name a few.

As you are aware, we are “a not for profit charity” and we rely on gifts, such as yours, to further our research, so as to deliver the best possible patient care, especially to those who are most vulnerable and in the greatest need.

Therefore, once again, thank you very much for your support to improve the health outcomes of our patients and we look forward to seeing you at our next event.

Please find your tax deductible receipt below.

Yours sincerely

Professor Joy Ho
